We Train YOU to Train Your Dog!

The **Good Dog Class** is a 5 week long program for one hour each week with canine graduation on the final class day. With this program, your dog will not only get training, but may also qualify for CGC (Canine Good Citizen) certification testing, **sanctioned by the American Kennel Club.**

This class is formatted for puppies, rescues and uneducated adult dogs.

Your dog will learn how to come, sit, stay, lay down, walk on leash, heel, and all the rest of the 'Good Dog' basics. We also address problems like chewing, house breaking, jumping up, digging, barking and more. You will have a week at home in between sessions to practice what you've learned.

The cost is only **\$100** for the entire 5-week program! (50% savings). This is a special price as a **Volunteer Community Service**, so sign up now...Enrollment is limited to 12 dogs on a first-paid, first-served basis.

Enroll in this class to help us offer free training for local Shelters and Rescues!

We support Shelters and Rescues throughout Mid-Michigan, supplying FREE training to help to get their adoptable dogs into forever homes!
